

iPhone Save & Share B2Bdigicard

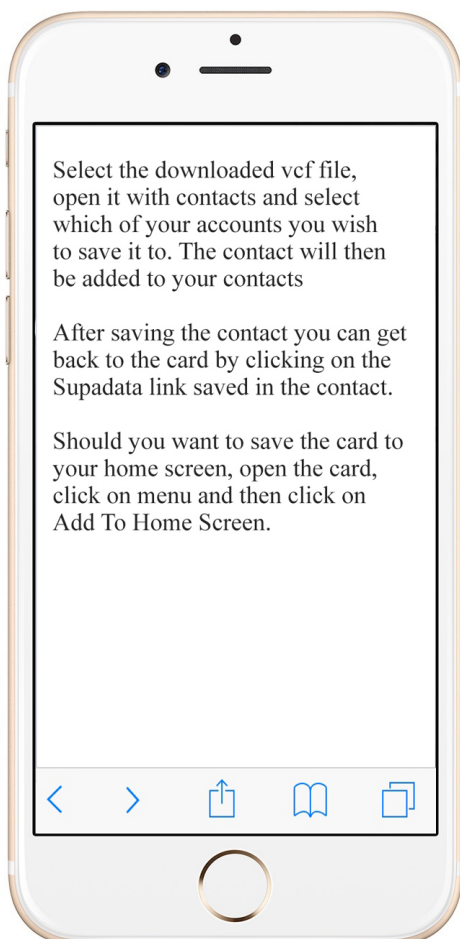

You will receive a text or email containing the link to the B2Bdigicard

Click on it to open

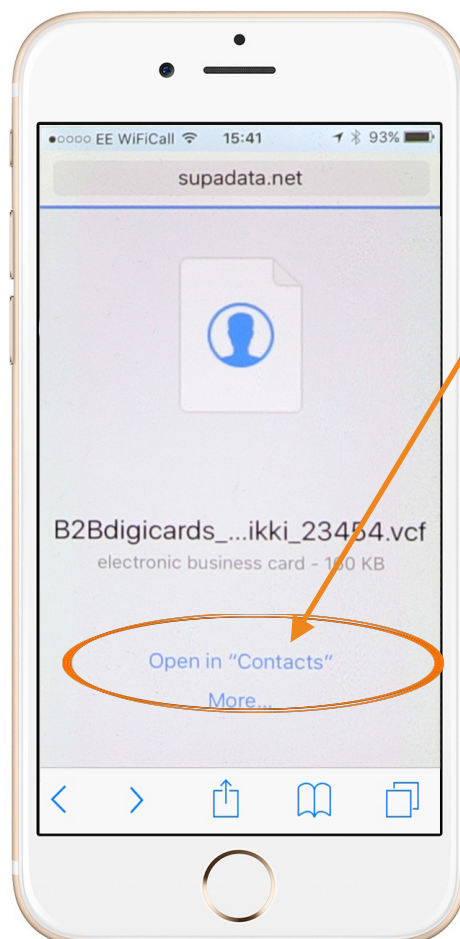

Once open - click

'Save to Contacts'

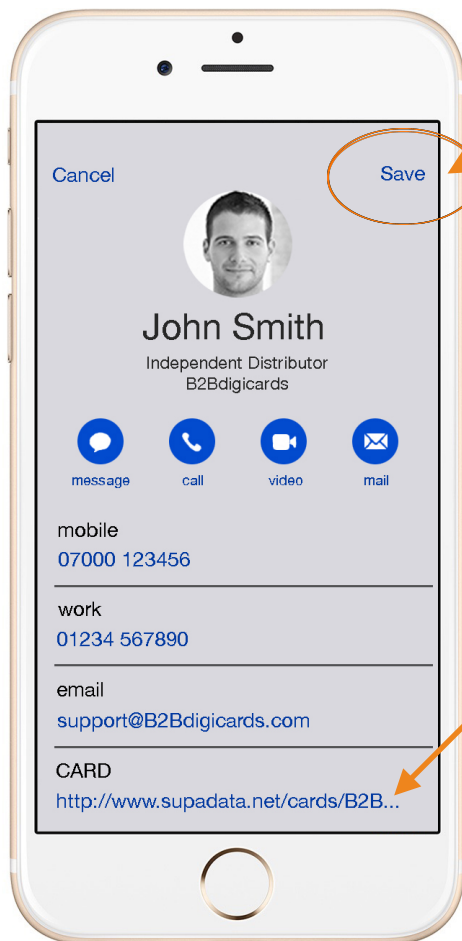

This text will appear

Please Read

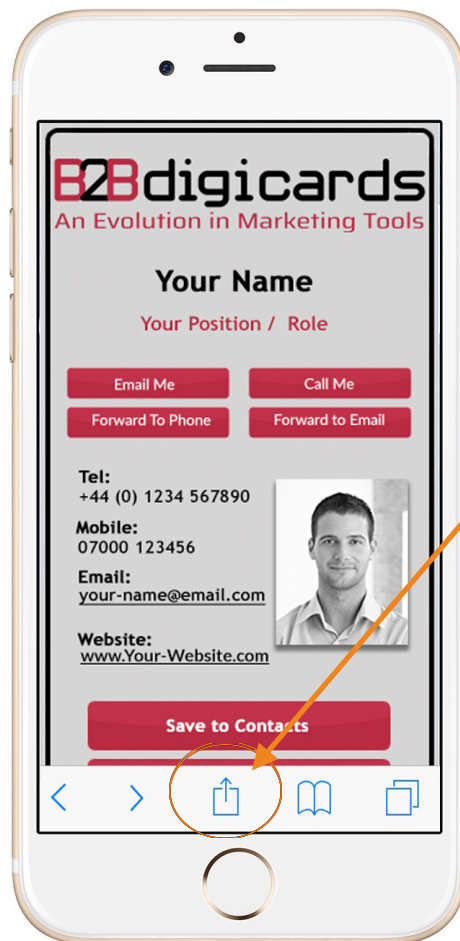

Click on
'Open in
Contacts'

The details will open and you need to click save in the top right hand corner

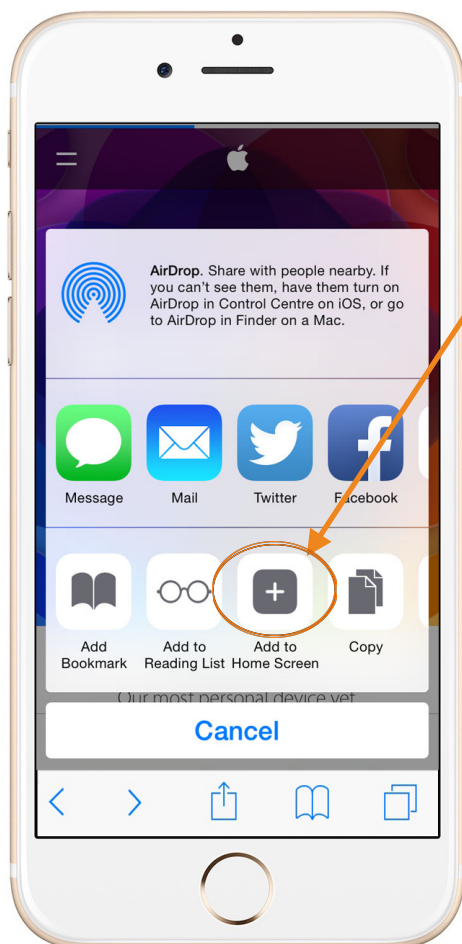

This will save the card to your phone directory

When you access your directory or list of contact, at the bottom of the details you will find the link to the digital card.

Should you wish to save the card as an icon on your home screen

click this icon which will open a directory for sharing and saving to various places on your iPhone

Add to Home Screen as an icon or share your card with any of your Apps by clicking on them and following the instructions.
